LOT B LABORATORY FIXTURE

It	Qs	Uni	Item Desc	Unit	Total
		Unit	**Chemistry Laboratory Tables DPS**		
			• Dimension Approx LWH m x m x m	m x	m x
			• Epoxy Resin Chemtop		
			• Acid Resistant top with central sink		
			• laminated base frame with adjustable levelers		
			• open shelves		
			• base cabinet with swing door		
			• Equipped with gooseneck faucet electrical outlet and gas outlet		
			› See attach Attach		
		Unit	**Emergency Shower with Eye Wash DPS**		
			• Eyewash station ...at least litres minute gallons minute for minutes		
			• The combination eye and face wash stations require litres per minute gallons per minute		
			• The emergency shower deliver a pattern of water with a diameter of at least cm inches at cm inch		
		Unit	**Laboratory Steel Cabinet with Glass Door DBS**		
			• Size for cabinet H W D mm		
			• Thickness mm cold roll steel		
			• Color per customer s requirement		
			• Handles Gray handles Metal locks Aluminum handles		
			• Lock for file cabinet point lock combination lock code lock digital normal key lock and so on		
			• Surface Electrostatic powder coating surf		
		Unit	**Storage Cabinet DBS**		
			• Size X X steel layers		
			• Material Cold rolled sheet gauge		
			• Surface Environment protection powder coated		
			• Color per customer s requirement		
			• Accessories Handle and lock gray aluminum
